Re: Notice Regarding Vacant FM Allotment on Channel 238A in Westley, CA
MB Docket No. 04-86, RM-10882, RM-10883, RM-10884, RM-10885

Dear Ms. Dortch:

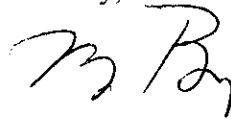

On November 21, 2003, Northern California Public Broadcasting, Inc., formerly KQED, Inc. ("NCPB") filed a petition for rulemaking to reserve for noncommercial use the vacant FM allotment for Westley, California on Channel 238A. In that petition, NCPB stated that it intended to file an application for the facilities once they are re-allocated for noncommercial educational use. The Commission released a Report and Order on July 20, 2004 granting the petition and reserving Channel 238A in Westley, California.¹ On April 4, 2007, the Commission announced that it would open a window on October 12, 2007 to file applications for new noncommercial educational stations. This letter hereby informs the Commission that, due to developments since the filing of NCPB's 2003 petition, NCPB no longer intends to file an application for Channel 238A in Westley, California during the filing window scheduled for October 2007.

¹ See *In re Amendment of Section 73.202(b), Table of Allotments, FM Broadcast Stations*, DA 04-2131, MB Docket No. 04-86, RM-10882, RM-10883, RM-10884, RM-10885 (rel. July 20, 2004).
